

Your life like a mobile

Glad we all have mobile phones these days and sophisticated ones as well. Although some are predominantly used as call devices, others are all round communication gadgets and thankfully so; because we could chat, browse, social network, all at the press of a button. All these gadgets, no matter how sophisticated they are, are still under the control of the respective owners and subject to his or her terms of usage.

Thus a mobile phone is a predominantly a servant and must fulfil the purpose of servanthood to its master/owner, hence when it starts malfunctioning and goes beyond the desires of its master/owner, usually it is discarded.

Herein lies the point, you are like a mobile with so many abilities and applications, but you are predominantly a servant to your Master/Owner and by extension, your creator- and that's none other than God, the creator of heaven and the earth and the father of all life whom we must surrender and be subject to. At the point where we start living consciously to our own dictates and behave in our own way and according to what we please, we begin to malfunction in the sight of our Creator.

Just as a mobile phone could be thrown away at this point, so also our lives may be under less supervision from God. The Bible tells us in Psalm 50: 22 Now consider this, ye that forget God, lest I tear you in pieces, and there be none to deliver. We cannot afford to live by our dictates and lusts. How far have you gone in malfunctioning before your maker, not pleasing Him? Is it fornication, adultery, forgery, bribery, corruption, pornography, masturbation? You know your selves, and you know how far you have gone away from God, not being subject to his rule and control over your life, the time is right for you now. Tomorrow may not be an opportunity for you.

The Masters arms are still wide open, He loves you so much like a precious phone and will not love to see you destroyed in Hell, in the lake of fire. He can wipe away all your distasteful behaviour, for the Bible records in 1 John 1:9 that " If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." Also Jeremiah 33: 8 says " And I will cleanse them from all their iniquity, whereby they have sinned against me; and I will pardon all their iniquities, whereby they have sinned, and whereby they have transgressed against me"

Turn to Jesus now and be saved for the time of your life may just run out like a battery but with this, there's no recharging.

Say this Prayer, "*Lord, I come to you today, I know I am a sinner, I confess my sins to you, set me free from the bondage of sin and death. I accept you as my Lord and Personal Saviour and that you came to the world to die for me. Make me a new creature now and a faithful servant. Thank you Lord, in Jesus Name. Amen*"

Now you are saved, live as the Master, Creator and owner of our lives pleases, that you may be a faithful servant. God bless you as you remain in Christ Jesus. Amen.
