

YOUR TIME IS COMING

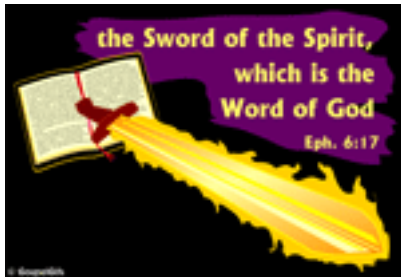

“For the vision is yet for an appointed time...though it tarry, wait for it!”
Habakkuk 2:3

If you've been standing in faith for the promises of God. I want you to know today that your time is coming! The dreams and desires in your heart, the things you want to accomplish, the situations you want to see changes will happen. Don't give up just because it has taken a long time, or just because you have tried and failed.

I encourage you today; get your fire back! Don't be complacent about pursuing what God has place in your heart! It may be taking a long time, but God is a faithful God. No matter how long it has been, no matter how impossible it looks, if you will stay in faith, you time is coming. Every dream that is in your heart, every promise that ha taken root, God not only put it there, but God has every intention of bringing it to pass!

Declare today, "My time is coming...God is working behind the scenes on my behalf...I will fulfill my destiny...I will fulfill the plan God has for my life!"
As you declare, expect, and wait for the appointed time, and your faith will grow.
And you will step into the plan God has for your life!"

PRAYER:

"Father in Heaven, I receive Your Truth today, and hold on to Your promises. I ask that You to ignite my heart with Your holy fire so that I can pursue Your perfect plan for my life. Make my thoughts and words agreeable to Your Will as I meditate on Your Word. In Jesus Name. Amen.
