

Why Islam is SO successful?

Why Islam is so successful? It is an easier religion to live up to it makes us feel good. It does not give us anguish or a guilty conscience nor the frustration of trying without success to attain in practical living the requirements of an absolute moral standard. There is nothing in Islam to lead us to know the extent of our sin and strip us of every pleasing pretence of our righteousness.

For our righteous deeds,—our best efforts after the fulfillment of Allah's and His Messenger commands, are stained and rendered ineffective by our general sinful condition. For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies: The heart is deceitful above all things, and desperately wicked: who can know it. As it is written none is righteous no not one for all have sinned and comes short of the glory of God.

God's holiness demands perfection not goodness. Our sins are a barrier between God and us. Jesus God Almighty manifest in flesh, Jesus was and is both man and God at the same time said I am the way, the truth, and the life: no man cometh unto the Father (God), but by me. God commendeth his love toward us, in that, while we were yet sinners, Christ died for us. That whosoever believeth in Him (Jesus) should not perish, but have eternal life.

He (God) hath made Him (Jesus) to be sin for us, who knew no sin; that we might be made the righteousness of God in him. We have no righteousness of our own before God. Therefore to have eternal life we must by faith be found in Christ having His righteousness. Who (Jesus) gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar people, zealous of good works. For by grace are ye saved (from sin and Hell) through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast.
